### **Report:**

Lucky or what! A bit of rain during the race, but nothing like the deluge that ensued just after everyone had finished. The southerly breeze turned out to be more of a help than a handicap, and some fast times were recorded.

I hope you liked the latest variation of the course. Our thanks are due to Ivor Edmonds and Richard Hope for devising and measuring the new course, a necessity in view of the work entrance on the site of the original finish and the future opening of a new service station there.

Once again, many, many thanks to all the helpers from One and All, without their unselfishness, the race couldn't have gone ahead.

Congratulations Sandy Gourley on his fine win and impressive time under the adverse conditions. Julian Harper and Mark Pilcher had a fine tussle for 2<sup>nd</sup> place, and relative new boy Tim McEvoy recorded an impressive time in 4<sup>th</sup> place. Margins were pretty tight from 6<sup>th</sup> to 21<sup>st</sup>, with a mere 60 seconds covering the lot! Every second really does count. Well done to One and All youngsters James Trott and Penny Colloff for scooping up prizes. Hopefully, they can both now build towards the GHS Finals in September.

**Next One and All Cycling Open Time Trial:**
