

Penzance Wheelers Club Hillclimb

30th October 2016

Thanks to all the riders that entered the Hillclimb today and also a big thank you to Sandy Gourley Chris Harper and Dave Cracknell for helping this morning.

The event was run in cool and overcast conditions with a cross headwind awaiting the riders up the climb from Gwithian to Hells Mouth. Still, some good times were posted.

First person to go sub 4 minutes was Josef Fitzgerald Patrick who was dancing on the pedals as he came up to the finish line.

This stood until Jake Williams powered up the hill to be the only rider on the day to break the 3 minute 30 second barrier.

Congratulations also must go to Beth Berriman who was the first lady in her first event.
